

How AVT Natural improve the everyday quality of life through their products and services by relying on our Rise with SAP S/4HANA.

AVT Natural is a leading manufacturer of plant-based extracts and natural ingredients solutions for the food, beverage, animal nutrition and nutraceutical industries of the world.

Before: Challenges and Opportunities

- Become a digital leader in the food and beverage sector through IT transformation
- To Gain the flexibility and insight to react to customer needs faster
- Integrate applications, processes, and data for maximum transparency, visibility, and value
- Long-term vision to build partnerships in other territories.

Why SAP and SAVIC Technologies?

- Accountability of a single vendor with a renowned ERP solution and a trusted implementation partner.
- Technical power of SAPS/4HANA®and SAP HANA®Enterprise Cloud as a secure, cloud-based platform that enables fast-paced growth, reduced risk, and better performance.
- Abacus’s ability to implement SAP solutions in the cloud based on proven best practices.

After Value-Driven Results

- Enhanced system reliability and security.
- Integration of all company processes onto a single, more transparent data platform. Streamlined operations through process automation and cutting-edge analytical tools.
- Scalability for future growth.
- Synergies with international partners also running SAP solutions.

“We operate in a highly competitive market. We can become adigital leader in our industry and continue innovating for customers only if we closely align with SAP to build an intelligent enterprise.”
