

How Can Tailored Services & Professional Advice Help Guide a Seamless Digital Transformation?

ACEY Engineering Pvt. Ltd. has successfully made a mark as one of India's leading manufacturer and supplier of Control Cables to major Original Equipment Manufacturers (OEM's) in the automobile industry. In partnership with SAVIC Technologies, they were able to generate reports in real time with enhanced visibility using SAP S/4HANA.

75%–80%

Increase in employee productivity

76%

Reduction in database size – down to 1.3 TB from 5.5 TB

“With SAP solutions, we hope to build & adapt to the development demands of lean production, internationalization, & globalization.”

Mr. SWAPNIL CHOGLA, VP, ACEY ENGINEERING PVT. LTD.
