BRINGING EFFICIENCY AND QUALITY TO A RAINBOW OF PRODUCTS WITH AN SAP® BUSINESS ALL-IN-ONE SOLUTION- LANKEM CEYLON

With a broad business portfolio that spans the paint, agriculture, food, home care, industrial manufacturing, and hospitality sectors, Lankem Ceylon is dedicated to enriching people's lives and coloring the world with products that many may take for granted. And managing a world-class business at this level requires world-class enterprise technology.

To increase financial transparency, improve operational efficiency, and ensure quality products and business processes, Lankem Ceylon engaged SAVIC to deploy an SAP® Business All-in-One solution. Now the company has greater control over inventory, can process orders faster, and has more comprehensive financial reporting. The result has been a decrease in costs as well as an increase in customer satisfaction, keeping Lankem Ceylon on the road to continuing growth and success.
