Premium Chick Feeds Transforms Operations and Enhances Efficiency with SAVIC Technologies and SAP ERP Support.

The company began as a feed manufacturing firm, expanding into contract broiler farming, and now operates in Maharashtra. Known for its quality feed and loyal customer base, it also ventured into poultry farming and hatchery operations in the late 1990s and early 2000s, establishing branches across Maharashtra.

Before: Challenges and Opportunities
- Unable to manage increased transaction volumes.
- Existing IT infrastructure could not support expansion.
- Real-time analytics to boost resource and market strategy management. Faster response times and better service could boost customer satisfaction.

Why SAP and SAVIC Technologies?
- Industry-specific knowledge-tailored solutions.
- 24/7 support to ensure minimal downtime and continuous operations.
- Ideal for complex manufacturing operations with advanced analytics and integration capabilities.

After Value-Driven Results
- SAP's scalable solutions allow Premium Chick Feeds to expand easily with minimal additional IT costs.
- Enhanced tracking and reporting ensure better regulatory compliance, reducing risk and costs.
- Increased operational efficiency leads to faster and more accurate order fulfillment, enhancing customer satisfaction.
- Faster order turnaround and improved order accuracy leading to higher customer satisfaction.

Partnering with SAVIC Technologies to implement SAP ERP has revolutionized our operations. SAVIC's support has been exemplary, ensuring a seamless integration and continuous improvement in our operations. SAVIC provided training to employees on how to use the SAP system effectively, ensuring that they can make the most out of the system's capabilities.

Dr. Girish Kolwankar, Co-founder, Premium Chick Feeds Pvt. Ltd.
