# Retail@SAVI

## Implementation End-To-End Solution Map

SAVIC Retail@SAVI provides a set of comprehensive solutions designed specifically for the new retail environment, where every piece of retail value chain, from forecasting and planning to allocation and replenishment, must be focused on meeting and surpassing customer expectations.

## SAP Activate Methodology for Implementation

SAP Activate methodology supports the four phases of your implementation or migration project: prepare, explore, realize, and deploy. Value delivery and quality checks help ensure that the solution, as implemented, delivers the value you expect.

### Benefits

➤ Accelerated Time to Value

➤ Lower Total Cost of Ownership

➤ Continuous innovation & improvement
